

Grandma, am I up to date?

Are your grandkids
safe from preventable
childhood diseases?

*It's easy to make sure.
Ask Mom to:*

- 1 Find your little one's
shot record and show
it to your doctor or
health care provider.
- 2 Take your little
ones to get all their
shots on time.
- 3 Stay on
schedule—
a little shot
can make a
big difference!

For more information,
contact your local
Immunization Program.
Make sure your grandkids
are up to date.
